Dear Shareholders,

I hope you all are safe and healthy.

I present to you the twenty fifth Annual Report for the Financial Year ended 31st March 2021.

As we salute the heroes of these trying times, we hope and pray that everybody is safe. While the country still battles through the waves of pandemic. Overall macroeconomic environment was quite muted with the first de-growth in decades in India. The contraction was restricted mainly due to proactive steps taken by the government and industry alike. Business improved and overall consumer sentiment picked up during the third and fourth quarters.

We saw the worst of the pandemic as the year ended, the second wave hit India and had devastating impact on the lives of crores of Indians. However, the quick roll-out of vaccines and cautious actions have helped contain the spread. I am sure we would be stronger on the other side of this pandemic as a country and community as a whole.

During these uncertain times, our primary objectives were:

1. To ensure timely collections
2. To safeguard the lending book through robust credit policy
3. To bring in new strategies for sales and marketing
4. To revisit and improve processes for future growth

The lockdown was like a pit-stop, all rejuvenated and rearing to go. From the get-go, i.e. Q2, we started hitting our stride and team Manba worked with a new vigour. We were soon hitting pre-Covid numbers until we hit the second wave near the end of the year. With gratitude, we acknowledge the dedication and hardwork put in by the heroic team.

As business improves post the second wave, we look ahead with four pronged approach:

1) Geographical Expansion

Since the last 3 years, we have explored 3 new geographies to expand our reach. We started with Rest of Maharashtra, established Gujarat operations and then launched Rajasthan's first branch. Looking ahead, we are hoping to strengthen our presence in these states by entering the interiors and make the three regions our home.

2) Digital First

With the launch and integration of MFQ with Sales Force, we have a seamless platform that is tailor-made for our needs. A platform that provides data at fingertips, provides capabilities to make analytical decisions and brings in the possibilities of augmenting the entire lifecycle of a loan – right from deal origination to loan closure. A support tool that enables rather than hinder the team's progress.

3) Incubate Innovation

We truly believe our attitude towards innovation is the key to our strong market share in the industry. We will continue our emphasis on innovation in products, processes, policies and every functional area that we believe will help us maintain and even extend our competitive edge among our peers.

4) Customer Experience

Our technology can now enable us to provide a hassle-free experience for our customers. With instant approvals to self-service portals / dashboards, we are looking forward to enrich our customer experience. A consumer centric approach is the only way to build loyalty.

While we work steadily towards creating value for our stakeholders, we also tread cautiously as we are still treading uncertain paths. We cannot overstate the importance of being nimble in our pursuit of excellence.

I and the complete board at Manba finance solicit the continuous support from all our stakeholders' as we move into this new era of business and way of life.

With best wishes,

Manish K. Shah

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

Manba Finance Limited is a leading NBFC currently present in three states of Western India and is primarily engaged in financing two-wheeler.

While the unprecedented health crises still unfolds across the nation, it was warm to see people, nations, bureaucracy come together and focus on improving lifestyle and the quality of life overall. We too strove towards improving ourselves, our systems and our approach to business. This year brought the best out of us to ensure we are always ready and nimble enough to deal with situations in the future. We evolved from being a business to becoming a family, from chasing profits to attaining excellence.

Our innovative approaches towards experience, schemes, partnerships and products help us gain and strengthen our market share in the industry. We are dedicated towards improving the overall two-wheeler purchase experience for customers through innovative and strategic tie-ups with OEMs, Dealers and other key stakeholders across the purchase cycle. We are dedicated to our customer-focused motto – “Manzilon ko Raftar de”

The two-wheeler industry has seen some tumultuous times in the past, the worst of which the first 3 months of FY2021. Despite these uncertain times, the industry bounced back strong in the company 9 months and ended up outperforming the year before! A strong showing by the industry.

Two-Wheeler Finance Industry too fared better than the previous 12 months overall despite having only 9 months of effective business. A few key reasons for this were:

- Increased Finance Penetration
- Increased Prices of Two Wheelers (Bharat VI, Hike in Insurance and more)
- Lower Disposable Income due to pandemic
- Lower Rate of Interest through RBI support
- Rise in need for Personal Vehicles due to pandemic

Macroeconomic Outlook

The Fiscal Year began under some extraordinary circumstances, the world still coming to terms with Covid-19 and India under strict lock-down conditions imposed by both central and state governments. People were witnessing unforeseen challenges and we were adjusting to the new way of living – social distancing and restrictive movement. A contraction in the Indian economy for the first time in well over 2 decades was inevitable. Global trade reduced by 3.3% while the Indian economy contracted by a record 8% during Fiscal 2020-21 (IMF).

To mitigate the sizable contraction and aid MSMEs restart business, the government and RBI took to refining the monetary policy to bring in liquidity and promote trade in the country. Some key changes to macroeconomic factors include:

- 1) A 20 Lakh Crore package stimulus package
- 2) Issue of Credit Guarantee Loans for existing borrowers
- 3) Moratorium on loans for business purposes
- 4) Adoption of Repo Rate regime to reduce cost of borrowings
- 5) Restructuring of loans for managed repayments

These measures along with the phased re-opening of economy helped the country recover its financial hardships and in some aspects, the financial indicators even outperformed their pre-Covid levels too. However, by the end of the year, India saw its second wave of Covid-19 for which the country was not prepared. While the fiscal year ended on with widespread lockdown again, it took till Mid-May for cases to reduce again and the economy to start working again in full flow.

Industry Outlook

Growth despite slow start

Déjà vu to the start last year, April and May 2021 again saw severe impact of the pandemic through its second wave that hit India hard. However, since then the industry has shown considerable increase in both two-wheeler sales and finance penetration. We expect this year to fare at least 10-12% better (a conservative estimate adjusting for the poor Q1) in sales numbers as corroborated by CRISIL Ratings in July 2021.

Rural India drives Growth in Finance

Finance penetration is further expected to increase mainly brought about by increase in financed vehicles in the rural areas. Mainly contributed due to uncertain times and increased footprint of finance companies. During the pandemic, technology has reached nook and corners of the nation and is enabling companies with technical prowess to expand beyond what was possible a few years ago.

E-evolution

Ola Electric and Hero Electric are poised to take the two wheeler industry by storm with other players such as Okinawa, Ampere (Greaves) and Ather expected to minor market share by the end of 2023. While these may be the first generation of electric two wheelers in India, they are bound to create a dent to the existing petrol two wheeler market. While it starts with scooters and is not expected to impact the motorcycles segment as yet. The response to Ola Electric's pre-bookings / reservation program all but confirms the inevitable once the support structure of such EVs are available to the common man. The e-evolution is more a question of when rather than if.

Operational Results

Your company recorded ₹ 108.42 Crs in revenues from Operations in FY2021, a 7% decrease compared to last year. The Profit before Tax Margins also reduced from 20% in FY2020 to 14% (₹ 15.09 Crs) in FY2021, which was expected during these uncertain times. The operational EBITDA Margins, however, have only marginally reduced to 62.3% from 64.2%, a fall of only 1.9%, a positive indication of company's operational strengths.

The overall financial portrait has improved significantly, despite the rocky FY2021. The financial indicators have grown from strength to strength. The Networth has increased to ₹ 147 Crs, 8% increase from previous year. More lenders have trusted your company with 5 new lenders on-boarded and number of lenders increasing to 20+ banks and NBFCs. Overall leverage also improved by 12% as the TOL/TNW reduced from 2.90x to 2.55x. These improvements are reflected in the improvement of the company's credit ratings from BBB+ to A-.

Your company also grew its footprint to 5 more locations with new branches, allowing it to strengthen its positioning and reach to the people of 4 regions. Mumbai, Rest of Maharashtra, Gujarat and Rajasthan. The market share of your company also improved considerably in the regions of Gujarat and Rajasthan, further improving the geographical spread of its lending assets.

In summary, operational numbers are encouraging and it gears up for the next few years of progress we expect at the company.

The Pandemic, the Moratorium, the Resilience

Covid-19 had near-term impact on collections and fresh-loan disbursements for the two wheeler segment. The impact was severe in the first 3 months with negligible business as Showrooms and Dealers were not operational for majority of April and May 2020. In terms of collections, the impact was mainly seen due to ambiguous communications from the Finance ministry.

The government and the RBI, jointly brought about a slew of relief measures for the borrowers, of which, the Moratorium and Emergency Credit Line Guarantee Scheme (ECLGS) were the two biggest announcements. While the announcements seemed to make these relief measures to be more of a blanket cover, the nuances of the measures was not communicated clearly. This caused quite a confusion among borrowers. Both these relief measures were not applicable to the two wheeler loans and therefore, were not applicable to the borrowers of your company. While, this proved to be a challenge explaining, educating, and also in some cases convincing the borrowers that the relief was not for their borrowings, ultimately the company is proud to announce that we attained a **collection ratio of 97.6%** – a true achievement, given the circumstances! Kudos to the collection and recovery team for this feat. Judicious.

The downtime offered by the pandemic, gave the management and the team at Manba to reorganize and bring in strategies for sales, operations and specially collections. A special mention to the other teams also is necessitated:

Credit & Risk: New and stricter credit policies were swiftly adopted with the company reducing the STP approvals during the lock-down situation without impacting the TAT. Being ready for the new world with new policies once business resumed was commendable. Sharp.

Marketing & Sales: Despite a damp start to the year, the sales and marketing team outperformed the last 3 quarters of FY2021 compared to the corresponding months in FY2020. The sales team were ready for challenges of the new normal. Sales and marketing strategies had radically changed and yet by May-end when business started, the team was rearing to go. Resilience.

Technology: Early understanding and farsightedness of the Technology team allowed us to be WFH ready within days of lockdown announcements. Quick training and instant tech support was available to our employees. During this period it also allowed the team to focus on ensuring that internal and outbound tech was streamlined with seamless integration of various tech projects. MFQ was integrated across the organization at each functional level and integrated with Salesforce to ensure entity-level unified reporting system. Future-proof.

Support Staff: Every executive showed up in colours of Manba ready to serve their company. Admin, HR, Safety, Nutrition, Support and every other team contributed in their own way to ensure that every member of Team Manba was safe and felt at home even during the trying times. Committed.

Despite the difficult times and personal hardships faced by everyone due to the pandemic, a heartfelt gratitude goes out to the each and every member of the Manba family.

Liquidity & Capital Resources

With delay in collections expected during the start of the year and no real relief provided to NBFCs for their repayment commitments, NBFCs were bracing for liquidity issues, especially during the moratorium period and month following it. While, moratorium was not available to our borrowers, initial month's collections were difficult. However, due to strong efforts from collection, recovery and even sales team joining hands, the company was able to manage decent collections even during peak pandemic period. Coupled with resourcefulness of promoters (infusion of capital) and undisbursed limits available to be utilised, your company made every single committed payment and was in fact able to reduce its overall debt obligations.

Distribution of Lending Book:

Distribution of Book

We have made a cautious approach to distribute our lending assets and diversify our book in both aspects – OEMs and Geography. Disbursements were also well distributed among regions and OEMs:

Sr	Region	% of Book	% of Disbursement
1	Mumbai	64.9%	51.4%
2	Rest of Maharashtra	23.9%	29.7%
3	Gujarat	9.9%	16.1%
4	Rajasthan	1.3%	2.8%

Sr	OEM	% of Distribution

2	Suzuki	16.68%
3	Hero Motocorp	16.03%
4	TVS	15.38%
5	Yamaha	4.56%
6	Bajaj Auto	2.27%
7	Vespa	2.18%
8	Royal Enfield	0.81%
9	Aprilla	0.80%
10	KTM	0.02%
11	Jawa	0.01%

Information Security

Your Company has invested in the best-in-class IT infrastructure that ensures that all critical matrix recommended by RBI are covered and goes beyond to support the growth prospects of the company. Various new initiatives have been implemented in the area of information and cyber security to ensure gold standard even in times where data sharing has increased multi-fold. Processes are in place to audit, monitor and manage the effectiveness of data security.

Health & Safety

The safety and well-being of our members and customers is the priority. With new norms of safety and sanitization being meticulously followed by every team member at every location, whether at the branch, head-office, dealer showrooms or even client place. While relaxations are being provided by the Governments, in a phased manner, we ensure compliance with all local and central laws and guidelines issued by the authorities.

Manba at its Core

Strong Vintage: Over 2.5 decades of presence in the two wheeler finance industry.

Resourceful Promoters: The promoters have historically and are ready to bring in the funds required to foster business.

Well-experienced leadership team: AFL is spearheaded by a team comprising of experts across various sub-segments of the NBFC sector. Under their guidance, the Company has demonstrated strong execution capabilities.

Look Ahead

Geographical Expansions: With current presence in 3 states, there is tremendous scope for Manba to expand its territorial spread. Also deeper penetration in the newer states will also fuel the growth for the ongoing year.

Product Innovations: With new and innovative approaches to products and book development, we expect to strengthen the existing dealer network.

Digitisation: We aim to implement automation across the entire loan process to help reduce TAT and improve process accuracies

Risk Management

The business of lending is by nature a risk taking venture, however, our credit, risk and other functional areas have procedures and policies in place to ensure controls and mitigation of risk. Your Company is exposed to various risks that are an inherent part of any financial service business.

Your company complies with the guidelines laid down by the RBI and relevant authorities to monitor and manage risks. Our policies includes identification, assessment, measurement and mitigation practises with its main objective to minimize the negative impact on profitability and capital.

Processes

Policies and guidelines for process are documented as manuals and provided to each employee and are regularly updated. The internal controls to assist an independent process audit team is also established and frequent third party checks are undertaken to prevent, detect, correct and monitor any lacuna in the processes.

**TO THE MEMBERS OF
MANBA FINANCE LIMITED****REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS****OPINION**

We have audited the standalone financial statements of Manba Finance Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, and the statement of cash flows for the year then ended, and notes to the financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid -standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2021, and profit/loss and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER - ASSESSMENT OF COVID 19 IMPACT

We draw attention to Note 13 to the financial statement, which describes the uncertainty arising from COVID 19 pandemic and impacting the Company's operations and estimates related to recovery of loans, which are dependent on future developments regarding the severity and duration of the pandemic.

Our opinion is not modified in respect of this matter

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined, depending on the fact and the circumstances and explanations given to us, that there are no key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures provide the basis for our audit opinion on the accompanying standalone financial statements.

MANAGEMENT'S AND BOARD OF DIRECTORS' RESPONSIBILITIES FOR STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations other than as disclosed in Clause 7(b) of Annexure A which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

"ANNEXURE B" TO INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls under clause (i) of sub-section 3 of section 143 of the companies act, 2013 ("the act")**

We have audited the internal financial controls over financial reporting of MANBA FINANCE LIMITED ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013. .

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MANBA FINANCE LIMITED**SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 31ST MARCH, 2021****A. Significant Accounting Policies:****1. General:**

The financial statements have been prepared in conformity with generally accepted accounting principles to comply in all material respects with the notified Accounting Standards (AS) under Companies Accounting Standard Rules, 2015, as amended, the relevant provisions of the Companies Act, 2013 (the Act) and the guidelines issued by the Reserve Bank of India (RBI) as applicable to a Non-Banking Finance Company (NBFC). The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

2. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates were based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revisions to the accounting estimates are recognized prospectively in the current and future years.

3. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Income on Non-Performing Assets where interest/principal has become overdue for more than 3 months is recognized as and when received and appropriated. Any such income recognized before the asset becomes non-performing and remaining unrealized is reversed.

Additional finance charges/additional interest are treated to accrue only on realization, due to uncertainty of realizations and are accounted accordingly.

4. Fixed Assets:

Fixed Assets are stated at acquisition cost plus revalued amount (if any) less accumulated depreciation.

5. Depreciation:

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as per Part C of Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use as per AS 26 Intangible Assets.

The carrying value of the asset is depreciated over the remaining useful of the asset as per Schedule II of the Companies Act, 2013.

The carrying value of the asset after retaining the residual value is recognized in the opening balance of retained earnings where the remaining useful life of the asset is 'Nil'.

6. Investments:

Investments are valued at cost.

7. Provisioning / Write off of Assets

Nonperforming loans are written off/ provided for, as per management estimates, subject to the minimum provision required as per non-banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Direction, 2007 & amendments therein.

8. Current Assets, Loans & Advances

Loans and Advances are stated at the value if realized in the ordinary course of business. Irrecoverable amounts, if any are accounted and \ or provided for as per management's judgment or only upon final settlement of accounts with the parties.

Repossessed Assets (Seized vehicles) are valued at the amount outstanding against respective loan account in the books of accounts due to the unavailability of fair market value.

9. Retirement Benefits

The Company's gratuity benefit scheme is a defined benefit plan and the provision with respect to gratuity liability has made according to the actuarial report.

10. Provision for taxation

a) Provision for Income Tax is made on the basis of the estimated taxable Income for the current year in accordance with the provisions of the Income Tax Act, 1961

b) Deferred tax resulting from timing differences between book and tax profits is accounted for under the liability method, at the current rate of tax, to the extent that the timing differences are expected to crystallize. Deferred tax asset, if any, is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future.

11. Provisions, Contingent Liabilities and Contingent Assets:

The company recognize a provision when there is a present obligation as a result of past event on which it is probable that there will be outflow of resources to settle the obligation in respect of which reliable estimate can be made.

Contingent assets are neither recognized nor disclosed.

B. Notes on Accounts:**1. In the Opinion of the directors;**

a) The current assets, loans and advances are approximately of the value stated, if realized in the ordinary course of business.

b) The provision for all known liabilities are adequate and not in excess of the amount reasonably necessary.

13. Impact of Covid-19:

A national lockdown was declared by Government of India with effect from March 24, 2020 as a result of the outbreak of Novel Corona Virus (COVID-19), which was further extended in phases up to May 31, 2020. The COVID-19 pandemic has resulted in significant decrease in the economic activities across the country and has also affected the Company's business operations due to such lockdown. Further in accordance with RBI guidelines relating to "COVID-19 Regulatory Package" dated March 27, 2020 and May 23, 2020 ("RBI notifications"), the Company offered moratorium on payment of installments and/or interest, as applicable, falling due between March 1, 2020 and August 31, 2020 to its eligible customers based on requests as well as on suo moto basis.
